

RUBBISH TO Runway

VEASEY MEMORIAL PARK

201 WASHINGTON STREET

GROVELAND, MA

FRIDAY, JUNE 27TH & SATURDAY, JUNE 28TH

Dear Designers,

We are excited to view your submissions of R2R 2025 designs!

Please see requirements and criteria below.

Registration fee is \$25 (fee waived for students and non-profit organizations)

Early Bird Special! Register by March 20th and pay \$15

Registration will close once all slots are filled or on May 1st.

The majority of the design must be composed of materials destined for a landfill or recycling bin if not rescued by you.

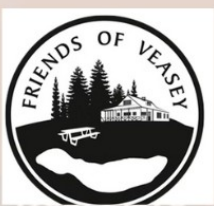

- These can be new materials that are left over or deconstructed from another project. These are often industrial materials applied to clothing in unique ways.
- New construction materials can be used to fasten, glue, staple, sew, zipper, or Velcro the fashion together but these materials should not exceed 10% of the fashion.
- Designs can be made from deconstructed garments and fabrics. "Refashioning" means using old, tattered or out-of-style garments and/or materials reconstructed into something entirely new.

Materials not accepted for any design:

- Unsafe materials such as those that emit odors, fumes, toxins, chemicals or particulate matter.
- Materials that are sharp or poorly fastened to the garment.
- Materials that are new and could be put to better use such as food products.

The theme for this show is COMMUNITY-

Please incorporate design elements inspired by local landmarks, natural resources, and traditions that connect us to our shared identity and celebrate our community's history, culture, and resilience in the face of challenges.

The R2R Team & Friends of Veasey appreciates your dedication of time and creativity to help bring awareness to sustainable design and support Veasey Memorial Park.
